

International Career Development Program (ICDP) 2010

Lets Connect, to make a Difference

International Career Development Program is a program that attracts the talented individuals graduating from the local universities & other recognized educational Institutes through an efficient selection process developed by AIESEC in Collaboration with reputed Sri Lankan companies.

The purpose of ICDP is exposing the youth to opportunities to explore their employability skills, enhance their capabilities and reflect their inner selves.

Our Mission

To produce talented high potentials young personalities who are self motivated to develop required soft skills in order to gain higher advantage in their future career."

Connect with 750 Young professionals

ICDP provide opportunity for the companies to capture the best talent before others and gain visibility within the community of job seekers.

Career Development Day 2010

An event where all 750 young professionals get together for a day full of professional skills development activities

This is your opportunity to meet and network with these young professionals from the most reputed academic institutes of Sri Lanka.

On April 28th 2010, from 9.00AM to 4.00PM at University of Colombo

If you are interested please write to Jananee at jananee@aiesec.org.lk or call us at 0774535983 or 0112514715
