

Summer Internship in Turkey

Fun

You will be teaching and working in school or summer camp. Besides language, you may also teach cross-culture understanding. You will present your own country and culture and have fun with the students.

Culture Experience

You will work closely with the local people in the local organization. It helps you to not only see the difference from travel, but also understand the culture and build up the local contact.

Adventure and Friendship

You will work and live with many international Volunteers. And you have the chance to explore each corner of Turkey: the Aegean, the Black Sea, the Mediterranean; Byzantine and Ottoman

You will be working in Summer Camp with Children and other International Volunteers, here is the sample:
