

POLAND - AMNESTY INTERNATIONAL

- Interns will participate in a series of workshops prepared by Amnesty International, professional training companies, academic teachers and AIESEC trainers.
- The workshops will take place at Warsaw School of Economic, in Amnesty International's quarter (2 days of trainings) and will last 8 hours a day.
- Presentation of trainee's national culture
- Preparation of lessons' scenarios: During the Opening Week interns will acquire necessary knowledge regarding Polish educational system and methods of running classes.
- Teaching at schools (lessons in English): Interns, divided into groups, will travel to different regions of Poland.
- Model preparation: Interns will visit schools in Warsaw and they will elect and prepare those students, who will be delegates to the General Assembly of the United Nations.
